

MCA COMPLIANT SUPPORT SERVICES

As part of our Ministry of Corporate Affairs (MCA) compliant support services, we are now offering our services for conducting statutory meetings on-line. This facility helps you to eliminate the risk of procedural non-compliance under the Companies Act, 2013.

Conducting Company Meetings through audio-visual means

Given the difficulties faced by companies on account of the ongoing nation-wide lockdown and social distancing due to COVID-19, Ministry of Corporate Affairs now allows companies to conduct their statutory meetings (Board meetings with certain specified matters till 30 June 2020) during the calendar year 2020 through video conferencing or other audio visual means.

We will help you in your statutory meetings through VIDEO CONFERENCING to remain compliant with MCA's Board and General Meeting regulations. We provide:

- Secured platform for holding Video Conference meeting
- Dedicated Company Secretary
- Regulatory Advisory
- Preparation of Notices
- Resource support for holding and moderating the meetings
- E-voting
- Preparation of Minutes

We also do offer customized solutions to meet your various secretarial needs.
